

Unlock the Secrets to Your Swing

Objectives

To improve the swing of participants in all aspects of the game without embarking on the traditional methods of tuition.

What delegates will learn?

Golfers will learn to improve their ability by raising their awareness by developing their senses. Many golfers swing the club well when practising but alter their swing when hitting the ball. Delegates will begin to learn how to identify what they do differently.

How they will benefit?

Delegates will improve their golf by becoming more aware of what they actually do.

What is the format of the Swing & Play Golf School?

Each class is limited to 8 pupils. Practical sessions are combined with workshops and seminars that are designed to enable established golfers to improve their swing without the technical thought processes involved in traditional teaching methods. Each day is split into 5 sessions 3 of which are practical.
